Chicago Bears sign that the bears are coming out-we get them back after missing the last 5 shows
Rbb on a spinning platform & reading Danny La Rue again (last seen in pfp)
La Rue used to be a baker (like Harry) & worked with Larry Grayson

We genuinely believed larry was coming out this show you don’t understand
Everyone was expecting SOMETHING to happen. But it seems we will never know the

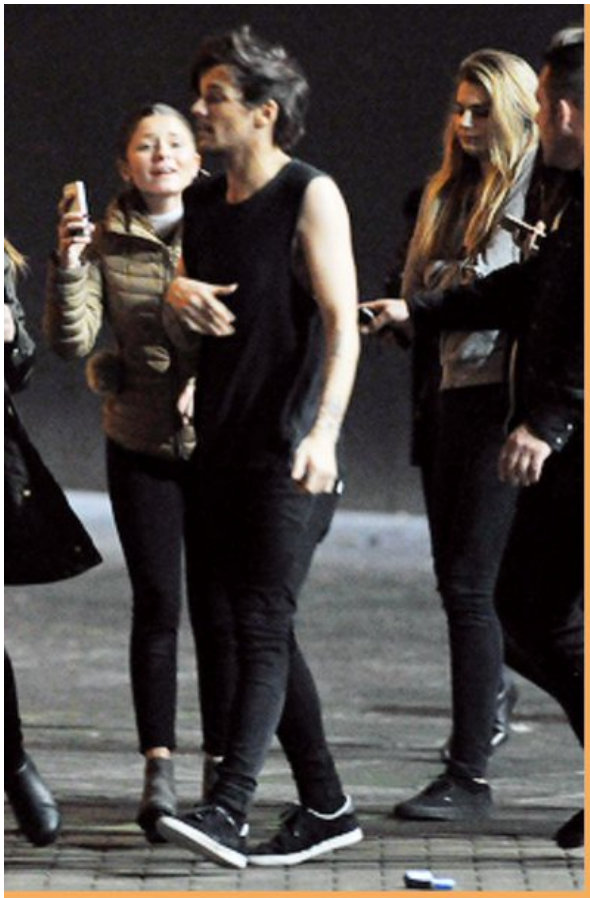
truth of why that show was cancelled and why we got a countdown that lead to nothing in the midst of it

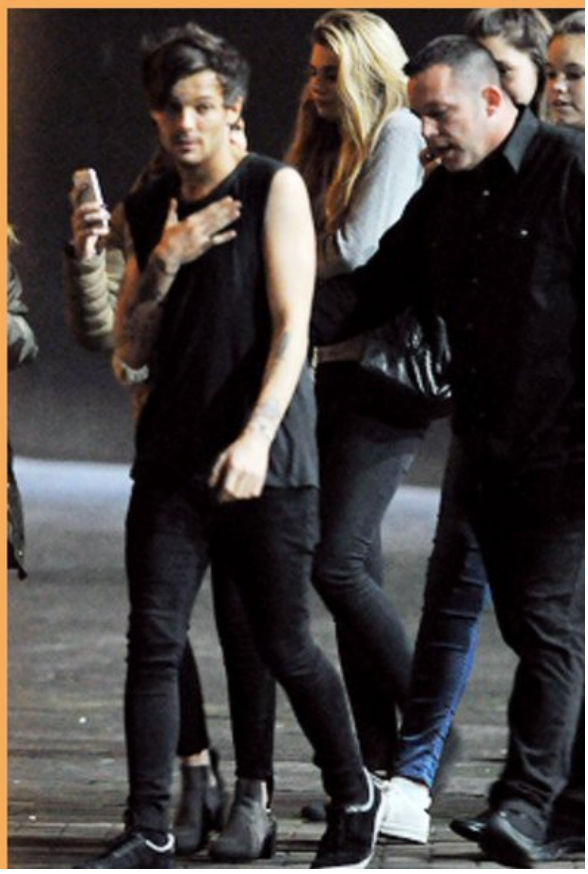
October 26 2015 (Newcastle)

This time sbb is on the spinning platform on a rainbow ball. Articles were just coming out about two footballers coming out as well
After the show they tweet rbb at sunset blvd- which is in an area known as gay village or pink triangle

> **Two gay Premier League football stars, including England international, 'are to come out before the start of next season'**

cont.
Funnily enough we also get fan and PAPPED photos of Louis in the gay village and partying at digital which is directly across the street from where rbb was.
Let this be known that he wanted to be seen





This is the first time he was seen out after a show like this in a very long time too
I almost believe Louis made a big spectacle and met fans in the street like this to distract people from Harry across the street with rbb lol

We get this pic posted before the concert
Rbb is back on the spinning platform & reading LGBTQ ally Joan Rivers book I Hate Everyone.. Starting With Me

NEWCASTLE UNITED

@rbb_updates

cont.
Most importantly we get this picture of Miss Stella Artois & it’s for the 3rd time

This was repeated bc our guesses on who this was the previous 2x were wrong. It made it evident that if we were missing info, or wrong, they would repeat something until we got it right

cont.
The photo is from this flyer which has former BGT and XF contestants. Most notably Stacey Solomon who was on 2009 XF and finished 3rd..
She was sued by Modest for breach of contract, went to Max Clifford, and spoke about how her contract trapped her

We get this tweet & on the 29th we get this “hotel room riddle”

Louis had about 80 articles circulating at this time about how he trashed a hotel room & got kicked out
Focusing on the riddle-it doesnt add up and is a misunderstanding of how money is tracked

Three people check into a hotel room. The clerk says the bill is $30, so each guest pays $10. Later the clerk realizes the bill should only be $25. To rectify this, he gives the bellboy $5 to return to the guests. On the way to the room, the bellhop realizes that he cannot divide the money equally. As the guests didn't know the total of the revised bill, the bellhop decides to just give each guest $1 and keep $2 as a tip for himself. Each guest got $1 back: so now each guest only paid $9; bringing the total paid to $27. The bellhop has $2. And $27 + $2 = $29 so, if the guests originally handed over $30, what happened to the remaining $1.

Rbb has an iPhone with a number attached & charged up so it doesn't die.
Throughout the show fans were calling/texting & seeing it was legit (most of all of them were about how Larry is real)

Rbb is “Dragula” with the Devine eyebrows and still holding the phone
Both stickers are sad
Speculation of the vampire costume was how vampires don’t like the sun.. like The Sun News…

Rbb is seen for the first time since the Jonathon Ross show wearing a “do I look like I fly economy” pin
This show was when they played never have I ever and both Louis and Harry agreed to being in the mile high club
(Lairport you will always be iconic)

They tweet this picture of rbb in front of rbb license plate
We get a pfp change of rbb from the Chicago show and the header is changed to Judy Garland
We also get the first and only tweet they ever liked “Larry ok”

November 19 2015

“Larry ok” tweet is unliked (lol)
Changed location from London to LA
Rbb is posted on Hollywood walk of fame which was shut down for 1d being there for Kimmel & Ellen. Meaning no one else had access to this area -esp tour or stage crew they wouldn’t even be here

cont.
They took pictures with artists apart of the LGBTQ community - village people, Liberace, Judy Garland. All who have been previously referenced

cont.
on Kimmel, he made fun of & mocked how 1d fans would follow a potato if they asked us to (and they did)

Tumblr and Twitter larries were annoyed and pretty vocal about it and then they post this - rbb the potato masher and sbb the potato chef - enjoy fandom reaction

This could definitely be in reference to us following the rainbow bear and management trying to shut it down so larries get mocked for how dumb it seems to follow the account which it does in theory but like…. cmon now
